Authority in, responsibility for, and governance of the affairs of the Foundation shall be vested in the Board of Directors.

Section 3.2. Number/ Composition. The number of Directors constituting the Board, including ex officio directors, shall not be less than twenty-two (22), but in the event of a vacancy, the Board may act with a lesser number until such vacancy is filled. The Board shall be composed and appointed as follows:

(a) **Ex Officio Directors.** Each of the following Directors shall each be considered a “**Ex Officio Director**” of the Foundation’s Board, and shall serve as *ex officio* Directors, without the right to vote on any matter before the Board, but with the authority to otherwise address the Board and attend and participate in all meetings of the Board:

- (i) Chairman of the Board of Trustees of USC.
- (ii) President of USC.

The Foundation seeks to have representation on the Board from throughout USC to include a member of the USC Board of Trustees, a member of the faculty from the main campus, and a member of the faculty from a regional campus. Notwithstanding anything to the contrary, at all times, the composition of the Board shall be comprised of both a majority of Directors and a majority of At-Large Directors, who are neither affiliated, employed, nor engaged with USC. Since the primary function of the Board is to develop policies which will facilitate the generation, investment, and management of capital to meet priority needs of USC, Directors should additionally be individuals who have the interest, commitment, and special expertise to assist in these endeavors.

Section 3.3. Term of Office.

(a) At-Large Directors Term/ Term Limitations. Examples of extraordinary circumstances may include retention of an individual in a specific officer or committee role in order to preserve institutional knowledge, maintain continuity in a project, or address material issues at such time. After a lapse of one (1) year, any At-Large Director may be re-elected. From time to time, on a limited or general basis, the Board may, in its discretion, shorten the length of the Term of any At-Large Director position in order to accommodate or improve staggering of Term lengths among At-Large Directors to ensure better continuity of the Corporation’s leadership.

No Director Emeritus is to be counted toward the quorum requirement of a meeting of the Board. Each Director Emeritus shall have the right to address the Board and speak during general sessions at all regular and special meetings of the Board but may only participate in any executive session of the Board, if expressly invited by the Board. The Director Emeritus position is non-voting, and as such, no Director Emeritus is permitted to vote upon matters before the Board. A Director Emeritus may be appointed to any committee of the Foundation, except the Executive Committee and the Governance Committee. Directors Emeriti may be invited to participate in events of the Foundation as well as to participate in any opportunities to engage with stakeholders of the Foundation.

(b) A vacancy of a Ex Officio Director may only be filled by the Ex Officio Director's successor in office.

(c) An At-Large Director elected to fill a vacancy shall be elected for the unexpired Term of his or her predecessor in office, and service during such unexpired or “short” Term shall not be counted towards the Term limitation provided in Section 3.3 for such Director.

Section 3.9. Compensation/ Expenses.

(a) No Director shall by reason of his or her office be entitled to receive any salary or compensation, but nothing herein shall be construed to prevent a Director from receiving any compensation from the organization for duties other than as a Director. Compensation paid to the CEO of the Foundation shall solely be by reason of his or her duties pursuant to Article IX of these Bylaws. By and through approval of the Board of Directors or the Executive Committee, the Foundation may provide reasonable compensation to the President of USC in connection with responsibilities and services for the Foundation or in support of USC, but not otherwise as consideration of his or her service as an Ex Officio Director of the Foundation.

(b) The Foundation may approve all reasonable expenses of Directors, including travel, lodging and meals, while traveling to, from, and attending the meetings of the Board.

Section 3.10. Exculpation of Directors. Section 3.11. Conflict of Interest. The Foundation will maintain a Conflict of Interest Policy pursuant to Article X of these Bylaws. In accordance with that policy, any Director or officer shall declare himself or herself as “abstaining” from voting on any matter in which such Director or officer may be considered to have a conflict of interest. Such abstaining declaration shall be made for the record at the beginning of any such motion or discussion and shall be recorded in the official minutes of the meeting. The same conflict of interest procedures shall apply to any Director or officer participating in any committee vote.

Section 3.12. Membership. As provided in the Foundation’s Articles of Incorporation pursuant to S.C. Code § 33-31-603, the Foundation does not have members within the meaning of S.C. Code § 33-31-140(23). Any use of “member” or “membership” in these Bylaws should be understood in its immediate context, and not to refer to “members” within such statutory definition.

Section 4.4. Quorum. At any meeting of the Board of Directors, the presence of a majority of the At-Large Directors then in office immediately before the meeting shall constitute a quorum for transaction of business at any meeting of the Board. APPENDIX A
TO THE BYLAWS
OF
UNIVERSITY OF SOUTH CAROLINA EDUCATIONAL FOUNDATION

CONFLICTS OF INTEREST POLICY

ARTICLE I
Purpose

The purpose of this conflicts of interest policy is to protect the interest of the University of South Carolina Educational Foundation (hereinafter the “*Foundation*”) when it is contemplating entering a transaction or arrangement that might benefit the private interest of an officer or director of the Foundation. This policy is intended to supplement but not replace Sections 33-31-831 or 33-31-832 of the South Carolina Code or other applicable state laws governing conflicts of interest applicable to the Foundation.

ARTICLE II
Definitions

1. Interested Person.

Any director, officer, or member of a committee with Board-delegated powers who has a direct or indirect Financial Interest, as defined below, is an Interested Person.

2. Financial Interest.

A person has a Financial Interest if the person has, directly or indirectly, through business, investment, or family:

- a. an ownership or investment in any entity with which the Foundation has a transaction or arrangement;
- b. a compensation arrangement with the Foundation or with any entity or individual with which the Foundation has a transaction or arrangement; or

- c. a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Foundation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

For purposes of clarity, a Financial Interest shall not be deemed to include the acquisition or ownership by an Interested Party, solely as a passive investor with no involvement in the operation of the business, of no more than two percent (2%) of the ownership of a corporation, partnership, company, or other entity whose stock or ownership interest is publicly traded on a national securities exchange, the NASDAQ Stock Market or over-the-counter.

A Financial Interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a Financial Interest may have a conflict of interest only if the appropriate Board or committee decides that a conflict of interest exists.

ARTICLE III Procedures

1. Duty to Disclose.

In connection with any actual or possible conflict of interest, an Interested Person must disclose the existence of his or her Financial Interest and all material facts to the Directors and members of committees with Board-delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists.

After disclosure of the Financial Interest and all material facts, and after any discussion with the Interested Person, he or she shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest.

- a. An Interested Person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest.
- b. The Chair of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement. In the event that the Chair is in a position of conflict, the Vice-Chair will assume the foregoing responsibility.
- c. After exercising due diligence, the Board or committee shall determine whether the Foundation can obtain a more advantageous transaction or arrangement with

reasonable efforts from a person or entity that would not give rise to a conflict of interest.

- d. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Foundation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Foundation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

4. Prohibited Transactions.

Notwithstanding, anything in this policy to the contrary, an Interested Person shall not, during his or her period of service as a director, officer or member of a committee with Board-delegated powers and for a period of 12 months thereafter, invest, or receive an ownership interest, through stock, options, phantom stock or otherwise, in any entity or venture in which the Foundation maintains an ownership interest excepting the Foundation's investments in publicly traded securities including mutual funds. Provided, however, the Board of Directors, upon a vote of two-thirds (2/3rds) of its members not counting the affected director, may waive the applicability of the above-described prohibition with respect to the 12-month period following a director's period of service as a director, officer, or member of a committee with Board-delegated powers.

5. Violations of the Conflicts of Interest Policy.

- a. If the Board or committee has reasonable cause to believe that a member has failed to disclose an actual or possible conflict of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the Board or committee determines that the member has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV Records of Proceedings

The minutes of the Board and all committees with Board-delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a Financial Interest in connection with an actual or possible conflict of interest, the nature of the Financial Interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the

proposed transaction or arrangement, and a record of any votes taken in connection therewith.

ARTICLE V Compensation Committees

A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Foundation for services is precluded from voting on matters pertaining to that member's compensation.

ARTICLE VI Annual Statements

Each director, principal officer, and member of a committee with Board-delegated powers shall annually sign a statement which affirms that such person—

- a. has received a copy of the Conflicts of Interest Policy,
- b. has read and understands the policy,
- c. has agreed to comply with the policy, and
- d. understands that the Foundation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

ARTICLE VII Periodic Reviews

To ensure that the Foundation operates in a manner consistent with its charitable purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum include the following subjects:

- a. Whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining.
- b. Whether transactions with parties are properly recorded, reflect reasonable payments for goods and services, further the Foundation's charitable purposes and do not result in inurement or impermissible private benefit.

ARTICLE VIII Use of Outside Experts

In conducting the periodic reviews provided for in Article VII, the Foundation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted.
