

THE UNIVERSITY OF SOUTH CAROLINA EDUCATIONAL FOUNDATION  
POLICY STATEMENT

CONFIDENTIALITY OF DONOR INFORMATION

To the extent permitted under applicable law, it has been and continues to be the long-standing policy of The University of South Carolina Educational Foundation (“*USCEF*”) to treat all information relative to the identity of the maker of a gift to USCEF (each a “*Donor*”) as confidential, and valued as a trade secret of USCEF that is critical to the operations and business of USCEF. This policy shall be made available to the public. Every Donor may rely on this policy, with the understanding that any such gift to USCEF is made with the condition that such Donor’s identity will be kept confidential, unless the Donor requests in writing that specific information relative to the identity of the Donor is not to be treated as confidential. USCEF shall abide by such express request of a Donor relative to his, her, or its information.
